

# **Memoirs – British Geological Survey Catalogue**

## **December 2002**

earthsciencebooks.com. is run by Geoff Carss (a lapsed Palynologist) with the aim to provide a wide range of antiquarian and second hand Geology Books at competitive prices. We have only just started (this is our first catalogue). The web site will be available soon although our full catalogue can be viewed on [www.abebooks.com](http://www.abebooks.com). We do not generally open to the public unless you have a specific requirement.

We are based in the UK at:

Catalogues available soon include:

- ❖ Micropalaeontology
- ❖ Classic 19<sup>th</sup> Century Geology Books

If you particular wants or are considering selling either single books or a collection please contact us.

### **Terms of Sale.**

All prices are in Pounds Sterling

Inscriptions and minor ownership labels have been ignored

Books are not normally sent on approval but may, of course, be returned if the description was not a fair one. Return should be with seven days.

New customer are asked to pay with order, or on a pro-forma invoice.

All items remain our property until paid for.

Shipping charges (postage and packing) will be charged. Parcels will be sent via the cheapest method available unless alternative instructions are received.

Payment by Sterling cheque only at present. If you wish to pay in another currency please contact us first. All these books are listed on [abebooks.com](http://abebooks.com) and payment via credit card can be made on-line.
